1. Defensive goals allowed- lowest total for three games
2. Offensive goals scored- highest total for three games
3. Coin flip

Tie Breaker for Individual Games:

Since each game must be decided without a tie for tournament standings, each game must include a tiebreaker.

THERE WILL BE NO OVERTIMES. Ties will be broken as follows:

1. A shootout with each team selecting 5 shooters. All five will attempt to score, and the team with the highest total at the end will be the winner.
2. If teams score the same amount, each team will designate 5 new shooters. There will then be a sudden victory shoot out. If one team scores and the other team does not, the game is over. Continue until one team has won.
